#### Requested Settings Notification <sup>[4]</sup>

Enable	<input checked="" type="checkbox"/>
--------	-------------------------------------

Apply New Properties

Restore Properties

**Note :**

[1] The Lockout Interval prevents duplicate Notifications from being sent within the specified period. This Lockout Interval does not affect the Periodic Notification

[2] Multiple E-mail addresses are separated by a ";;"

[3] Properties Information is only available when the Message Format on the Server Page is set to MIME, HTML.

[4] The Requested Settings Notification is requested by E-Mailing a message to the printer with the Subject "REQUEST SETTINGS". The settings will then be returned to the senders E-Mail address. The Message Format used is MIME, HTML.

To specify the language of the report, the "REQUEST SETTINGS" string can optionally be followed by a 2 character string defined as follows :-

EN = English  
IT = Italiano  
DE = Deutsch  
FR = Français  
ES = Español  
PT = Português
